
DALRYMPLE JOINS GEARY COMPANY AS PRESIDENT AND COO

John Dalrymple has joined Las Vegas-based ad agency [Geary Company](#) as president and chief operating officer.

Dalrymple previously operated Dalrymple & Associates, a consulting firm which he formed in early 2008. The move to Geary Company is designed to merge the two companies, according to a press release.

The Geary Company was founded in 1969 with Elvis Presley as its first client. Today the company represents clients both locally and nationally in industries including gaming, resorts, automotive, restaurants and real estate.
