

REDSTONE PROMOTES TWO, ADDS ONE TO ONLINE MEDIA DEPARTMENT

REDSTONE

ADVERTISING | MEDIA | ONLINE | DIRECT Redstone, an Omaha based advertising agency, has promoted two team members and added another to its online media department.

In today's press release at PR.com, Claudia Martin, Redstone President and Media Director was quoted as saying: "We think Redstone can bring a mostly unique perspective to online advertising that combines our very-real talents in producing, placing and tracking traditional media and integrating that with online channels."

Randa Zalman was promoted to Online Strategist, Sr. Account Supervisor and Amanda Peterson was promoted to Online Specialist, Media Buyer. Amy Jacobberger was hired as Online Specialist, Account Coordinator.

Redstone is an agency specializing in advertising, media, online and direct marketing with offices in Omaha and Des Moines. Founded in 1984, Redstone serves some of the region's premier brands in retail, home services, education, financial services and franchising.
