## EMPLOYERS SAY THEY CANNOT FIND QUALIFIED PEOPLE

### **Microsoft**

Even though the recession is nearly over and some companies and establishments are having vacant positions, several people are still jobless. A lack of most basic qualifications and right set of skills is the main reason behind this major drawback. Rockville, a disaster clean-up company owned by Bill Begal and Microsoft Corp. (MSFT) are finding it difficult to fill some important sales and administrative positions for the above reasons.
