
MASKS WORN BY ANONYMOUS ADD TO TIME WARNER'S PROFITS

The hacker group went head-on with the Iranian government and the Church of Scientology and also shutting down the websites of Visa, MasterCard. While protesting in public the people of the group incarnate themselves into "The ANONYMOUS man", by wearing a mask of "Guy Fawkes". The irony behind all of this is that only a few know that Time Warner, most popular media company in the world and also the parent of Warner Brothers, which has introduced this mask in its movie "V for Vendetta" owns the rights to that image and it is being paid licensing fee for each mask that is being sold to the ANONYMOUS PROTESTORS!!!
