
AT&T TRIES TO GET PUBLIC SUPPORT FOR MERGER WITH T-MOBILE

AT&T is trying to get public support for its merger with T-Mobile. In a new ad, it claims that Sprint is trying to stop the merger, because they use more spectrum than any other cellular services. AT&T also claims that it could create 5,000 jobs if the merger goes through. Read the full article here: [AT&T Seeks Public Support for Merger with Ad Blitz - Mabledia](#)
