

DESPITE POSITIVE 2011, SACRAMENTO JOB MARKET STILL YEARS FROM FULL RECOVERY

The Sacramento job market grew at a promising pace in 2011 but due to the drastic job loss between 2007-2010 it may still take years to get back to pre recession employment levels. With over 85000 jobs lost even all the jobs gained represent a significant drop. A Graph of jobs lost and gained demonstrates the overwhelming numbers.
