

WORKFORCE ONE IN BUTLER COUNTY

Butler County Workforce One, a job placement agency, is offering free services to the county to retain businesses and to bring down unemployment rates. The Agency offers interview space, job advertisements, recruiting, distributing and acceptance of applications and screening tests for employees and helps the employers to cut down their costs. These services by the agency helps business retention, reduces time for re-employment ,averts lay offs and provides opportunity for growth of businesses in the county.
