
JOIN THE ADVERTISING INDUSTRY WITH A JOB IN THE FIELD

Have you ever wondered what it would be like to write slogans or commercials for some of the best companies in America? If so, visit [AdvertisingCrossing](#) today to browse thousands of available jobs in the industry. You will find openings from entry level positions all the way to major administrative positions.

You will first need to earn a degree in the advertising field from a college or university of your choice. Here, you will learn the history of the industry, how to write slogans and commercials, and how to sell advertising time for television and radio stations. You should also begin with an internship within the industry to help find a permanent position.

When the time comes to find a job within the advertising industry, visit [AdvertisingCrossing](#) at least once per day to browse the thousands of jobs posted each week. You will be able to search for jobs based on specific state, city, or company. You will not be disappointed with all the site has to offer during a job search. There are also career advice articles posted there at least once per week, so be sure to peruse them for your benefit.
