## COUPONS.COM NAMES MADER-CLARK HR VICE PRESIDENT

Coupons.com Inc. has added Margie Mader-Clark as vice president of human resources. She will oversee all HR functions, including talent acquisition and compensation and benefits, the company said in a press release.

“Last year we filled almost 100 new positions, essentially doubling the size of our staff, and I expect we will add just as many during 2010,” said Steven Boal, CEO of Coupons.com. “Margie’s experience, at companies both large and small, will be a great asset to us as we continue to grow at a very rapid pace.”

Mader-Clark previously was principal of Autopia Management Consulting, a business she founded in early 2008.
