
SEAHAWK DRILLING NAMES GONZALES V.P OF HUMAN RESOURCES

Seahawk Drilling Inc. has named Raymond Gonzales senior vice president of human resources. Gonzales formerly was vice president of HR at Madagascar Oil. He will begin his new position immediately, the company said in a press release. Gonzales has 28 years experience in the oil and gas industry. Prior to Madagascar, he served in vice president, human resources, roles for Arizona Public Service and Kerr McGee. Seahawk Drilling is an offshore drilling company headquartered in Houston, Tex. The company owns a fleet of 20 jackup rigs that are located in the United States.
