
IMATION CORP. APPOINTS HAMM V.P. OF HUMAN RESOURCES

Imation Corp. has named Patricia Hamm to the position of vice president of global human resources. Hamm has nearly 30 years of experience in the human resources field. She most recently was executive vice president of human capital and learning at Petters Group Worldwide in Minnetonka, Minn. Hamm has also held positions at First Bank System (now U.S. Bancorp), Aequitron Medical, Nellcor Puritan Bennett, Mallinckrodt Corporation, Net Perceptions, Fingerhut (now Bluestem Brands) and Petters Group Worldwide.

"Patty brings great experience in helping create high-performance organizations through an emphasis on employee, leadership, and company culture development, and in establishing human resources strategies that are closely aligned with business imperatives," said Mark Lucas, Imation president and chief executive officer, in a release.

Imation Corp. helps people and organizations store, protect and connect to the digital world. Its global brand portfolio includes Imation, Memorex, XtremeMac, and TDK Life on Record brands.
