## INPHI CORP. NAMES V.P OF HUMAN RESOURCES

Inphi Corp., a provider of high-speed analog semiconductor solutions for the communications and computing markets, has appointed Diane Nott-Kilfoil to the position of vice president of human resources. Nott-Kilfoil will oversee the full breadth of the company's human resources department and will report directly to President and CEO Young Sohn. Nott-Kilfoil has 30 year of HR experience. She most recently serves as vice president of HR at LRN Corp. Prior to LRN, she was the vice president of the human resources department at J.D. Power & Associates. Nott-Kilfoil holds a bachelor's degree in psychology from California State University, Fullerton.
