

TWIGGE APPOINTED HUMAN RESOURCES V.P FOR IDEXX LABORATORIES

IDEXX Laboratories Inc. has appointed Giovanni Twigge as corporate vice president of human resources. In the role, Twigge will oversee worldwide human resources and business and employee communications functions, the company said in a press release. Twigge joins IDEXX from the Diagnostic Division of Abbot Laboratories Inc., where he served as divisional vice president. In 11 years at Abbott, Twigge held various international leadership positions, including oversight of HR for the Middle East, Latin America, Canada and Europe. IDEXX Laboratories is a leader in pet healthcare innovation, serving practicing veterinarians with a broad range of diagnostic and information technology-based products and services.
