
DUBAI HOSTS HUMAN RESOURCES FORUM

The Emirates NBD, the top bank in the United Arab Emirates, recently hosted the Dubai Human Resources Forum. The group, founded in the 1970s, consists of an interactive full-day workshop on labor law in the UAE. Most of the more than 300 members are based in Dubai itself and represent more than 150 companies in the region. Abdulhakim Binherz, the general manager of Legal Affairs and Fraud Prevention & Investigation at Emirates NBD, ran the Labor Law workshop. The workshop was an open forum focused on employment contracts and termination. The Dubai Human Resources Forum puts together nearly 20 events per year, including: seminars, workshops, and site visits.
