
BURGER KING CORP. AWARDED BEST PEOPLE PRACTICES AWARD

The award makes the Burger King Corp. the largest quick service restaurant to win the Best People Practices award. "We are honored to be recognized by People Report with their Best People Practices award," said Jose Tomas, executive vice president, chief human resources and communications officer for BKC. "We work hard to enhance, evolve and sustain our human resources practices throughout our organization and are proud of the strides we've made in making our company a great place to work and creating a culture where everyone can succeed." Burger King consists of more than 12,000 restaurants across 76 countries. The majority of the restaurants are independent franchisees.
