
ZYNGA LOOKING TO HIRE HR MANAGER

The #1 social gaming company on the internet is currently looking to hire a Human Resources Manager at their Austin, Texas location. Zynga, the company behind the massively successful *Farmville* game, as well as several other widely popular games accessible through Facebook, is looking for a candidate with 3-5 years of experience in the HR field. According to the job posting, the position will involved 20% travel between Austin, Dallas, and San Francisco, and will report to the company's Chief People Officer.
