
FORMER LUZERNE COUNTY HR DIRECTOR SENTENCED TO PRISON

Pennsylvania's Luzerne County will see its former HR director, Doug Richards, head off for a lengthy stint in prison. Richards plead guilty to charges of accepting a bribe to a federal court back in January. The former HR director took more than \$5,000 in cash bribes from a staffing agency in New York that had a no-bid contract with Luzerne County. Richards is just one of a whopping thirty plus persons being faced with charges amidst a federal corruption probe.
