

ENGLISH LAW FIRM ACQUIRES HR FIRM

Turner HR, a British human resources business, has been acquired by law firm Clarke Willmott, for a reported six figures. The buyout is meant to expand Clarke Willmott's services beyond the legal sector and allow them to do HR consulting as well. Founder of Turner HR, Lucy Turner, says, "This is a very exciting time for Turner HR. I have worked incredibly hard to build up this business from scratch and now it has paid off." She also boasted Clarke Willmott's new found ability to help businesses with more than just their legal issues. "No other law firm in the region is offerthing is business consulting approach," Turner said. "So it's a great opportunity for us."
