
THE GEO GROUP APPOINTS STEPHEN V. FULLER SENIOR VP OF HUMAN RESOURCES

The GEO Group, Inc.

The GEO Group has appointed Stephen V. Fuller as Senior Vice President of Human Resources. The GEO Group is a world leader in the distribution of correctional, detention, and residential treatment services to government agencies. At his new post, Fuller will oversee all of GEO's human resources functions, such as recruitment, retention, compensation, benefits, employee and labor relations and additional employee initiatives. Fuller joins GEO from his prior post as Senior Vice President of Human Resources for AmeriPath, Inc., a U.S.-based anatomic pathology company. Fuller has also held senior HR positions at the University of Miami/Jackson Medical Center, Racal-Milgo, Inc., and Tenet Healthcare, among others.
