

CHEMUNG COUNTY, NY TO POSSIBLY SECURE 1,000 NEW JOBS [VIDEO]

From [EmploymentCrossing](#):

Chemung County and state officials are working together with two prospects that between them could create 1,000 new jobs. The New York county is close to inking a deal with a major company to place a distribution center in the town of Chemung, County Executive Tom Santulli said. The other prospect is involved in the oil & gas exploration industry, Santulli said. If all goes well, the partnership could create 400 new jobs in Horseheads. -- Misty Kingma

According to the Star Gazette in Elmira, New York,
