

SEDGWICK COUNTY KS EXPERIENCES EMPLOYMENT INCREASE [VIDEO]

From [EmploymentCrossing](#):

Sedgwick County, Kansas saw a 1.8% employment increase, making it the 25th largest from June 2007 to June 2008 for the 335 largest counties in the United States. The county also saw a 1.3% employment increase from Q2 of 2007 to 2008. Sedgwick, Shawnee, Wyandotte, and Johnson counties — the four Kansas counties polled— each saw an over-the-year increase in employment. Orleans County, Louisiana, which includes New Orleans, had the largest increase, climbing 5.6%. -- Jillian Manning

According to the Bureau of Labor Statistics,
