

## HI-TEK RATIONS CREATING 30 JOBS

Pet food manufacturer Hi-Tek Rations will spend \$1.5 million to boost production at its Dublin, Georgia facilities and create 30 jobs. Hi-Tek Rations bought a 30,000 square foot facility near its current plant in Dublin. The company will add a new dog food production line to nearly double current production. Dublin-based Hi-Tek makes private label and branded pet food products, including the Intimidator and Good Dog lines.
