
LABARGE PRODUCTS ADDS 48 JOBS ON ARMY CONTRACT

LaBarge Products, Inc.

LaBarge Products is hiring 48 new employees to work on a new \$27 million military contract to build combat system repair equipment. The 48 jobs will be based in St. Louis, Missouri, to complete a five-year contract with the US Army to build 2,500 bases for combat system repair equipment. LaBarge Products, founded by Charles L. LaBarge and based in St. Louis, began as an industrial rubber products distributor in 1973 and was incorporated in 1979.
