## ARIZONA SCHOOL DISTRICT LAYS OFF 22

The Glendale [Arizona] Elementary School District is laying off 9 school psychologists, three social workers, four administrators and a student adviser, due to budget uncertainties. Also, one art teacher and four physical education teachers were laid off due to lower enrollment projections. The school board also unanimously approved a 1% pay cut, and up to five furlough days for teachers and administrators. The district is considering additional layoffs for classified staff.
