## LEVEL 3 TO LAY OFF 150

Level 3 Communications will cut about 150 jobs, or 2.8% of its work force. Founded in 1985, Level 3 Communications is a communications and information services company headquartered in Broomfield, Colorado. It has operating locations throughout the US and Europe. Level 3 offers a portfolio of metro and long-haul services, including transport, data, Internet, content delivery and voice.
