
OHIO GIVES GRANTS FOR ROAD REPAIR, JOB CREATION

The Ohio Department of Development has approved \$750,000 in road construction grants, to allow two Dayton firms to create over 200 jobs. Greene County gets \$350,000 to improve roads in Xenia, where Cornerstone Research Group will open offices, creating 125 positions. Middletown gets \$400,000 to complete road improvements, to help the Middletown Coke Company to create 75 jobs.
