

RECKITT BENCKISER TO ADD 200 MANUFACTURING JOBS IN UTAH

Reckitt Benckiser has broken ground on a new \$35 million manufacturing facility in Tooele, Utah, and will create 200 jobs. The facility should be finished in Q1 2010. It will also serve as a distribution hub. Reckitt Benckiser PLC is a global consumer goods company, making and marketing home, health and personal care products. Headquartered near London, it has operations in over 60 countries, including 42 manufacturing facilities, and sales in nearly 200 countries. Reckitt Benckiser makes Woolite, Lysol, Electrasol and other household products.
