## MARYLAND VAN MAKER TO ADD 25 JOBS

Baltimore's Dejana Truck & Utility Equipment will add 25 new jobs to its cargo and van body operation. The new hires will manufacture Ford's new Transit Connect van. Founded in 1959, Dejana is a family-owned and operated full-line truck equipment house, specializing in supplying upfitted pick-ups, work vans, dry freight bodies, high cubes, cutaways, and cab and chassis to Chevrolet, Dodge, Ford, GMC and Isuzu dealers from the Carolinas to Maine.
