## CBEYOND TO BRING 600 JOBS TO GEORGIA

The unpronouncably-named Cbeyond will double its operation in Cobb County, Georgia, creating more than 600 new jobs at a new call center and training facility. The firm plans to expand its workforce from 700 to 1,400 by 2013. It is hiring for sales, customer care, information technology, operations and marketing. Founded in Atlanta in 2000, Cbeyond is a provider of voice, broadband, and mobile services to small businesses. It employs more than 1,600 nationwide.
