

SYKES ENTERPRISES CREATES 900 JOBS IN SOUTH CAROLINA

Customer services provider Sykes Enterprises will expand its operations in South Carolina, creating 900 new jobs. Four hundred jobs will be created at each of the firm's two current South Carolina locations; and a brand new facility will hire 100 workers. Tampa, Florida's Sykes Enterprises is a multinational corporation which provides business process outsourcing services, such as technical support. Sykes has over 26,000 employees at 70 locations in 16 countries, which include 40 customer support centers, 10 fulfillment centers and five localization offices.
