TECH FIRM FISERV BRINGING 300 JOBS TO ST. LOUIS

fiserv.

Milwaukee, Wisconsin's Fiserv is consolidating plants in Westport and Olivette, Missouri, plus a Boston office, into a single warehouse in Hazelwood, Missouri. The deal will move 300 jobs to north St. Louis County. The Fortune 500 company, which manufactures credit and debit cards, is moving 50 jobs from its location in Boston, which shut down this month. Another 260 jobs will come from the shuttered plants. Fifty new employees will be hired in Hazelwood, population 25,500. Fiserv provides information management systems and services to the financial and insurance industries. Leading services include transaction processing, outsourcing, business process outsourcing, software and systems solutions. The company serves more than 18,000 clients worldwide.
