## GREYLOCK MOVES TO CALIFORNIA, ADDS JOBS

Venture capital firm Greylock Partners will move its headquarters from Boston to Menlo Park, California. The firm will hire to fill a number of new positions, including partners. The firm has an office in San Mateo. Greylock Partners is one of the oldest venture capital firms, founded in 1965, with committed capital of over \$2 billion under management. The firm focuses on early stage companies in the consumer, enterprise software and infrastructure as well as semiconductor sectors. Greylock operates out of offices in the Bay Area, Boston, Israel and India.
