
US CELLULAR TO HIRE 100 IN WISCONSIN

US Cellular is adding 100 customer service positions at its 400-person facility in Waukesha, Wisconsin. The jobs are full time with benefits, including paid training. Chicago-based United States Cellular, aka US Cellular, owns and operates the fifth largest wireless telecommunications network in the US. It serves 6.1 million customers in 126 markets in 26 states. It was founded in 1983.
