
AUTODESK TO CUT ANOTHER 430 JOBS

Autodesk

Autodesk, which [cut 750 jobs](#) in January, will cut another 430 jobs and close some offices. Autodesk creates 2D and 3D design software for use in architecture, engineering & building construction, manufacturing, and media & entertainment. It was founded in 1982 by John Walker, a co-author of early versions of the company's flagship CAD software product, AutoCAD. It is headquartered in San Rafael, California.
