
LAH DEVELOPMENT TO CREATE 100 OHIO JOBS

LAH Development LLC will invest \$1 million in a Greenville, Ohio factory, creating 100 jobs over the next three years. The firm currently employs six people. It is receiving a 50% job creation tax credit over six years worth \$392,000 from the Ohio Department of Development. The Darke County Board of Commissioners also is providing \$188,000 for workforce training. Formerly specializing in engineering and building fabrication, the firm will now manufacture and install wind farm turbines. The new jobs will be in manufacturing, support staff, IT and R&D.
