
ARCTIC CAT TO CUT 60 MINNESOTA JOBS

ATV and snowmobile manufacturer Arctic Cat will eliminate 60 positions in Minnesota, due to fiscal losses. The layoffs affect 5% of the firm's total workforce. Most of the cuts are targeting the company's Thief River Falls manufacturing plant. In January, the company announced 100 job cuts. Founded in 1954, Arctic Cat is a North American manufacturer of snowmobiles and all-terrain vehicles. The company is based in Thief River Falls, Minnesota.
