## ARM & HAMMER PLANT HIRING 250 IN NEW JERSEY

Three thousand people have applied for 250 hourly positions at Church & Dwight's new Arm & Hammer plant in Jackson Township, New Jersey. Church & Dwight is constructing a 1.1 million square foot manufacturing plant and distribution center to produce liquid laundry detergent. The jobs will pay \$15 to \$22 per hour. Church & Dwight is a major U.S. manufacturer of household products that is based in Princeton, New Jersey. It is best known for its Arm & Hammer line, which includes baking soda and many other items made with it. The company was founded in 1896.
