
QUEBECOR WILL ADD 30 JOBS IN VIRGINIA

Montreal's Quebecor World will add 30 jobs to its facility in Frederick County, Virginia, with an investment of \$35.2 million. The firm will buy two new printing presses to increase production capability at the plant, which currently employs 150. The Virginia Investment Partnership is giving Quebecor \$300,000 in incentives. The expansion will be completed later this year. Founded in 1954, Montreal, Quebec's Quebecor World provides marketing and advertising to retailers, catalogers, branded-goods companies and other businesses, and print solutions for publishers. The company has facilities in the US, Canada, Argentina, Brazil, Chile, Colombia, Mexico and Peru, and has approximately 20,000 employees.
