
AEGIS LIMITED TO HIRE 1,000 IN TEXAS, ARIZONA

Aegis Limited plans to hire over 1,000 employees in the US to support an unnamed health care provider. Over the next 30-45 days, Aegis plans to hire over 700 employees in Irving, Texas, and over 300 employees in Sierra Vista, Arizona. They intend to quickly hire for the positions, and to start training courses in early August. Aegis Limited, an Essar Group company and a leading global business process outsourcing provider, offers customer lifecycle management and a variety of value-added interactive and back-office services for global enterprise clients. Aegis offers an end to end global delivery platform spanning onshore, near shore and offshore locations with 32 delivery facilities in the United States, the Philippines, India, Costa Rica and Africa.
