
PROHEALTH CARE TO CUT 50 WISCONSIN JOBS

ProHealth Care, which operates Waukesha Memorial Hospital and Oconomowoc Memorial Hospital in Milwaukee, Wisconsin, will eliminate 50 positions systemwide through layoffs and attrition. More layoffs may be necessary at a later date. Waukesha, Wisconsin's ProHealth Care is a regional critical and primary care provider. Their integrated health network includes Waukesha Memorial, Oconomowoc Memorial, 26 ProHealth Care Medical Associates centers, and the West Wood Health & Fitness Center.
