## TONY'S FINE FOODS TO HIRE 75

California's Tony's Fine Foods is expanding its Sacramento headquarters, spending \$15 million and creating 75 new jobs. The firm is working with the city's Economic Development Department to get the necessary permits for the new facility. Sacramento's BTV Development is managing the construction project. Founded 75 years ago, Tony's Fine Foods supplies meat, baked goods, cheese and specialty items to supermarkets, delis and other stores.
