
PREMIER PROCESSING TO CREATE 100 JOBS IN KANSAS

Start-up firm Premier Processing will launch a new metal finishing facility in Wichita, this Fall, creating over 100 jobs over the next five years. The firm is investing \$3.8 million in Wichita. The state will provide funds for training. Other incentives may come from the city and county. Incorporated in 1870, Wichita is a city in, and the county seat of, Sedgwick County, Kansas. The 2006 estimated population of 361,420 made it the 51st largest city in the country, and the most populous city in Kansas. Wichita is located in south central Kansas on the Arkansas River.
