
MGM MIRAGE HIRING 'HUNDREDS' AT VEGAS CITYCENTER

MGM Mirage is holding a job fair next week, seeking to fill hundreds of food and beverage jobs at the under-construction CityCenter project. The positions include assistant stewards, bakers, banquet management, buspersons, cooks, food servers, fountain workers, and kitchen & restaurant management. The job fair will be held next Thursday, July 16th at CityCenter's Career Center. Appointments must be scheduled by Wednesday. City Center says "hundreds of positions" are available, starting in September. MGM Mirage announced in December it would hire more than 12,000 workers at CityCenter and other properties. CityCenter is a 16,797,000 square-foot mixed-use complex, currently under construction by MGM Mirage on the Las Vegas Strip in Paradise, Nevada.
