## TIME WARNER CABLE HIRING 200 IN NORTH CAROLINA

Time Warner Cable has hired new 150 employees for its new Morrisville, North Carolina regional headquarters, and plans to add 50 more. The new jobs will be telephone and direct sales positions, paying around \$30K a year, plus commissions. The company is also hiring service technicians. The Morrisville offices now house 1,500 workers. Time Warner has also spent over \$60 million on its Morrisville and Charlotte, to make them more environmentally friendly.
