
TEXAS HEALTH RESOURCES CUTS 33 POSITIONS

TEXAS HEALTH RESOURCES

Texas Health Resources, a non-profit company that operates a network of hospitals and health facilities in North Texas, has cut 33 positions. The cuts targeted technician positions and administrative jobs in the Dallas-Fort Worth area. Formed in 1997, Texas Health Resources is one of the largest nonprofit health care delivery systems in the United States. It operates 14 hospitals, including the Presbyterian Hospital of Dallas. It employs around 18,000 people.
