## KEYSTONE RV TO HIRE 200 IN INDIANA

Keystone RV will hire 200 new employees for a plant the firm is acquiring in Goshen, Indiana. Demand for recreational vehicles has risen, and the company expects to start production in late Fall. The building was owned by rival RV manufacturer Dutchmen Manufacturing, which shut the plant and laid off 100 in February. Keystone RV **laid off 350 Goshen workers** in April. Founded in 1996, Keystone RV Company manufactures recreational vehicles, such as towable travel trailers and fifth wheels in the United States. Keystone RV is a subsidiary of Thor Industries.
