
FARMERS INSURANCE BREAKS GROUND ON NEW PROJECT IN MICHIGAN

FARMERS

Farmers Insurance broke ground this morning on a project that will expand an existing facility by over 364,000 square feet. Located in Caledonia, Michigan, when completed the expanded facility will contain a call center and offices, a print and distribution center, training facility and a branch of the Farmers Credit Union. It is expected to bring 1,600 new jobs to the area.
