## HALLMARK CARDS CUTTING MORE JOBS

Back in April, Hallmark Cards Inc. announced it was cutting between 550 and 750 jobs. Today it announced an additional 225 to 250 jobs will be cut between now and the end of the year. The job cuts will happen across the company's US operations, but no specifics were given on which jobs would be cut. Hallmark Cards, based in Kansas City, Missouri, is the nation's largest producer of greeting cards.
