
IS HULU TOO LIMITED TO REPLACE TV?

hulu

Hulu.com, a revolutionary website that has changed the way people watch television, is up for sale. At the beginning of its creation, Hulu allowed streaming of television shows for free with a two minute advertisement for about a 22 minute TV episode. With so many companies now invested in Hulu and pressuring owners to make Hulu more profitable, Hulu has recently created a subscription plan that allows subscribers to stream content that is now restricted to non paying members. Expected buyers are likely to be Google, Yahoo, Amazon, or Apple. Read the full article here: [Is Hulu Boxed In?](#)
