

## GAME OVER FOR OVER 60 EMPLOYEES AT ACTIVISION ASSOCIATE

The Activision logo is displayed in a bold, black, sans-serif font. The word "ACTIVISION" is written in all caps, with a registered trademark symbol (®) to the right of the final "N". The logo is centered within a white rectangular box.

Video game developer and publisher Activision has announced mass layoffs as they shut down Shaba Games studio. 61 employees will lose their jobs as a result. It has also halved the workforce at 7 studios. "Activision continually evaluates the resources at our studio properties to ensure that they are properly matched to our product slate and overall strategic goals," a statement released by the company said. "As part of this process, we recently made the difficult but necessary decision to close Shaba Studios. We are grateful for the studio's contributions and wish this talented team success in their future endeavors." Shaba games is the studio behind the Tony Hawk series as well as the official *Shrek* game. 7 studios is working on *Scratch: The Ultimate DJ*, a rival to the game *DJ Hero*. Production on the game will most likely be delayed due to the layoffs. If you've been affected by mass layoffs, head on over to [Employment Crossing](#) for the highest quality in job search tools.
